Emergency Contacts/Hurricane Preparedness Plan

Hurricane season runs from June to November of each year. In the event of a hurricane watch or warning or other weather emergency, your pet(s) may need to be evacuated from Red Bluff Pet Resort. We will make every effort to contact you directly, but we may not be able to reach you before, during, or after a storm. For this reason, we require each client to complete a form to plan ahead. In the event of a weather emergency that requires evacuation, please list the contact information for two people from different households who will be available to pick up your pet and care for them for the duration of the emergency. **The contacts below will also serve as emergency contacts in case we can't reach you in a non-weather related emergency.**
